Susu, Han

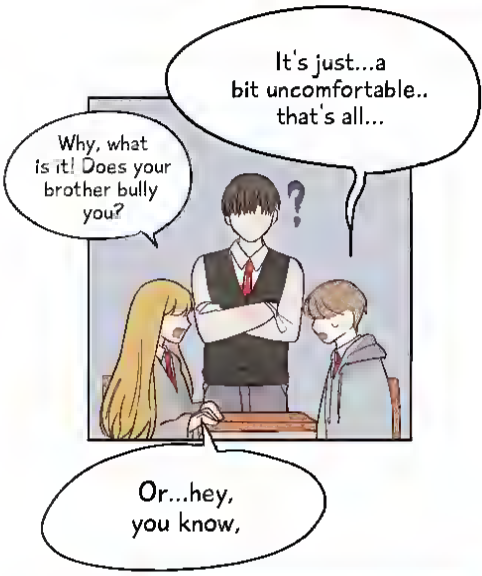
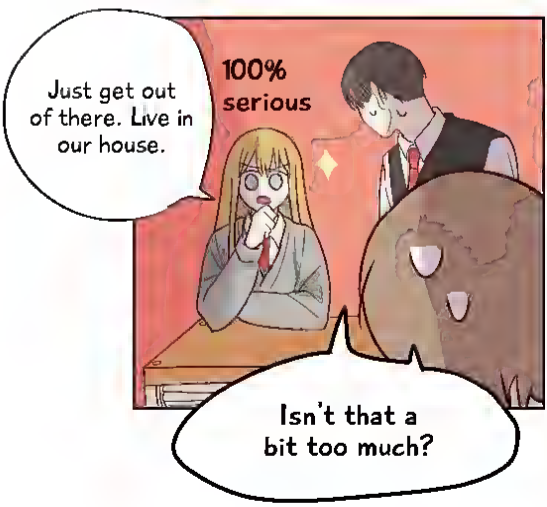
It...it hasn't even been that long since school started
You're just like the homeroom teacher
You couldn't sleep? Is it because of your job?

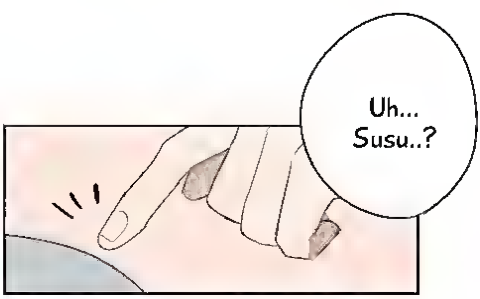
...
How do I explain this...
Let's be friends
Hm...



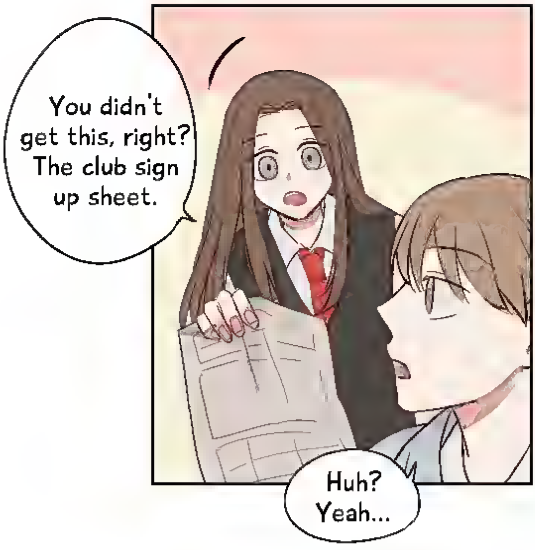
It's just...a bit uncomfortable.. that's all...
Why, what is it! Does your brother bully you?
Or...hey, you know,



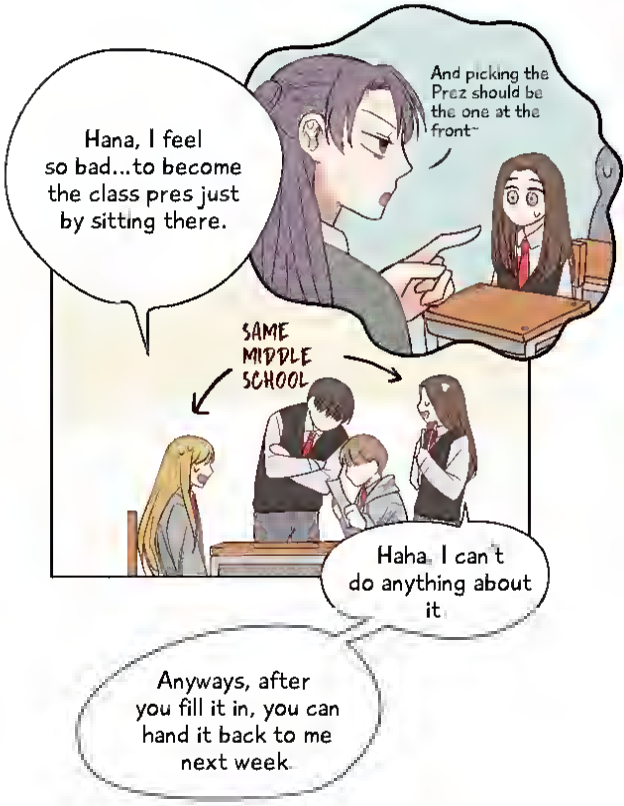
Just get out of there. Live in our house.
100% serious
Isn't that a bit too much?



Uh... Susu..?



You didn't get this, right? The club sign up sheet.
Huh? Yeah...



Hana, I feel so bad...to become the class pres just by sitting there.
And picking the Prez should be the one at the front~
SAME MIDDLE SCHOOL
Haha. I can't do anything about it
Anyways, after you fill in, you can hand it back to me next week.

Yeah, got it~

Did you pick

your clubs? Hajin, you're in the art club, right?

Well, yeah.

I was gonna ask the others and just fit in wherever.

Uh...what do I do? Clubs...I haven't even thought about them.

DEPRESSED

Take...Take your time.

Yeah, it's not until next week.

Stop being so depressed and let's go get some food! I'll pay.

I can't get used to you either... since when did you become like this?

Me? But I didn't change a bit?

You're not serious, right? I just got the chills.

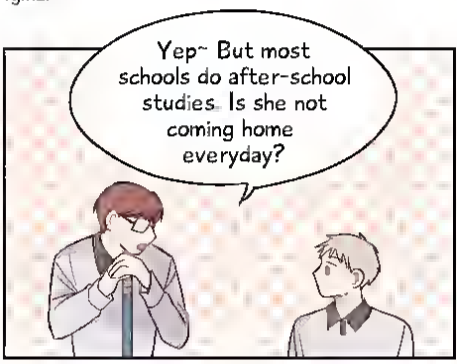
You're over-exaggerating~

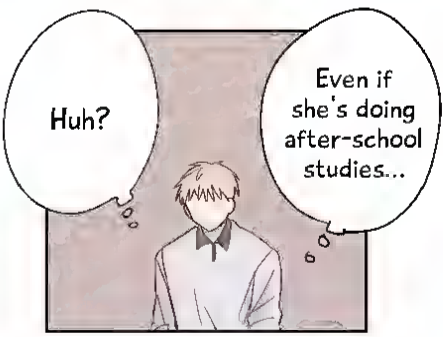
Now that I think about it, she talks to him more than me,
And it sounded like they were getting along yesterday too
Han, wipe somewhere else, you're gonna ruin the table.
WIPE WIPE

Hey, didn't you say you were close with your cousin?
Well, yeah. Why? Did you fight with your sister?

Well, I don't really know.
I don't know either~
PLUNK

CN: Gender is unclear in original





That time too...
Now that I think about it... is that after school studying?
You're not close with your younger sibling, right?

Do you know where Ji-Ha hyung went?
Dunno. But, are you mad..?
? Why.
No, it's just... I feel like the table's gonna catch on fire.
WIPE
WIPE

I think Ji-Ha hyung knows something...Why does he know it though?
If she's not studying, what does she do in that time?
The hell... Stop wiping it now
WIPE
WIPE

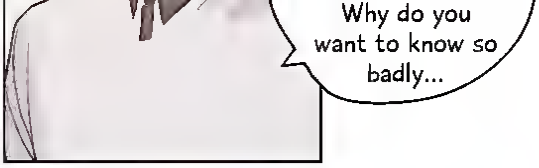
No~pe

Huh?
Why not!

I don't want to answer such annoying questions. Ask him yourself.
You're the one who's best at annoying people.
Huh?

Are you sure you don't know? You're always together most of the time.
You see him more than me.
Any help around here?

Either way, no.
He'll do fine on his own, probably.



Why do you want to know so badly...

Hyung, then...
GRAB

Tell her... not go out in the dark... too much...

... ...

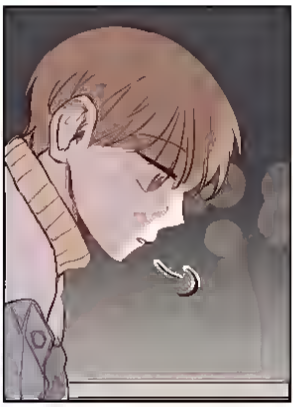
Just tell her yourself!!!
Is that too much trouble??
Why do I have to do that??

Just work already, please!!

Lies.

I wish it was a lie too. So cringy, I swear...
Really? Did he say that?

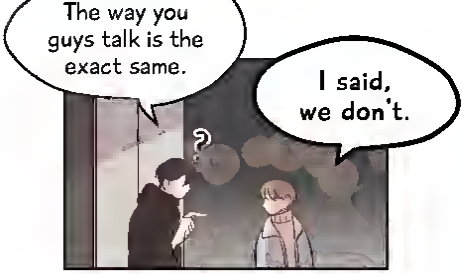
Yeah, he did!!! Isn't he kinda seeing you as a little kid though? Where else can you find a dependable and mature kind of kid like you!!
Oh yeah. You think~?



What's your brother's problem?

First, it was kinda funny to make fun of him, but now I'm wondering why it's so awkward.
...Did he just say that it was funny?
So straightforward..

You guys think pretty much the same way.
And you also look alike.
No, we don't.



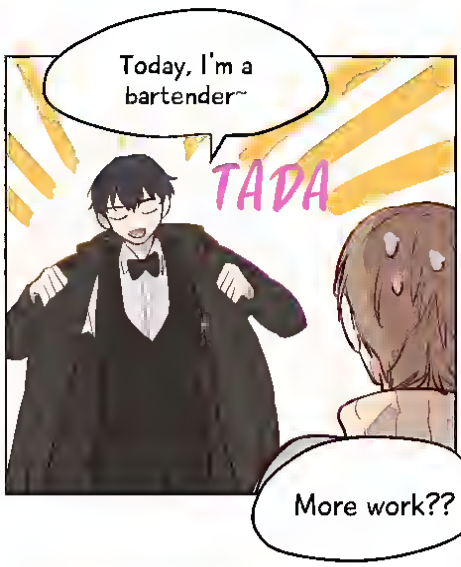
The way you guys talk is the exact same.
I said, we don't.

Don't say such disgusting things. We can't be that alike?? Right??

...It's a bit
more complicated than I thought.

I have to go this way.
? You're not coming to our house today?

Lookie here~ You were pretty happy when I came, right?
No, I thought you didn't have a home...



Today, I'm a bartender~
TADA
More work??

I'm a bartender, only by looks...
I owe the bar manager, so I go sometimes~

Then, be safe!
Yeah, bye...
I think he may have a more complicated past than I thought.

Anyways...

Han was wondering what you were doing after school.
Also...he wanted you to not go out so late in the dark and stuff...

... ...
Why now...

Nonono~
Let's think of
good things.
good!!!
WAVE
WAVE

sigh

It's so dark~

STOP
Wait.

Do people normally care about their sibling that much?
Maybe I don't know because I'm an only child....
Or he's trying to get rid of the awkward-ness
